

The 2020 Census starts on **March 12!**

- In addition to the paper form, the census will be **online or over the phone** in 12 non-English languages. Additional language support can be accessed at 2020census.gov
- The census is for **everyone**, regardless of your immigration status or living situation
- There is no citizenship question on the 2020 Census!
- **The census is easy:** it has fewer than 10 questions and only takes a few minutes to fill out
- **The census is important:** it determines how hundreds of billions of dollars in federal funding allocated for education, public housing, roads and bridges, and so much more
- **The census is safe:** by law, the information you provide to the Census Bureau is completely confidential, cannot be shared with anyone (including law enforcement or your landlord), and cannot be used against you
